I'm still in the process of creating a demo fund site to demonstrate how to run a peer-to-peer fundraiser with CauseVox. This could possibly be a new venue to raise funds for our scholarship drives. Bro. Foster is finalizing the site because it needs more features added. But with time, we can create a working platform (Demo) that we will be able to show the members of PMN how CauseVox operates. Remember,

Basic Plan- Free, Platform fee of 0% with feature.

Processing fee of 2.2% + 30 cents per donation via Stripe/PayPal. Limited Features

<u>Standard Plan</u> \$155 annually or \$200 monthly, Platform fee of 4.25% is reduced to 0% feature. Processing fee of 2.2% + 30 cents per donation via Stripe/PayPal. 7-day trial period. Most features

<u>Plus Plan</u>- \$275 annually or \$375 monthly, Platform fee of 3% is reduced to 0% feature. Processing fee of 2.2% + 30 cents per donation via Stripe/PayPal.

HELPFUL SEC NUGGETS

- 1. The lack of a reported incident at the conclusion of an event does not mean you are clear; statutes of limitations apply
- 2. Officers required per 100 attendees; round up accordingly. (100 attendees x 1.5 = 1.5 officers = 2 officers)
- 3. Chapter Foundations not covered under the fraternity's insurance
- 4. It is very common for checklist to be completed without the necessary attachments and signatures. For example, a contract may be attached but: contract has no signatures, is signed by someone other than the chapter Basileus, or the contract is in the name of the fraternity as opposed to the chapter.
- 5. Chapter members do not have the authority to bind the fraternity.
- 6. Contracts must be in the name of the chapter (e.g. Psi Mu Nu Unincorporated Chapter of Omega Psi Phi Fraternity, Inc.).
- 7. It is common to receive the SEC that indicates there is alcohol being served; however, there is no liquor license or contract provided for the entity serving the alcohol.
- 8. Brothers of the fraternity **cannot** be designated to provide security for event; even if they are law enforcement officers. The exception to this is if the Brother has his own security firm/business and his business has been contracted to perform said services. That contract must be submitted with the checklist and the business must have its own insurance naming the fraternity and the chapter as additional insured on their insurance.
- 9. All vendors (bartenders, AV, DJ, food service providers, security firm, etc.) must have insurance that names both the chapter and the fraternity as additional insured with coverages equivalent to \$1M per event and \$2M aggregate. This COI must be submitted with the vendors contract.
- 10. Events held in conjunction with a third party such as the chapters foundation requires the foundation to have its own insurance that also names the chapter and the fraternity as additional insured. The COI must be submitted with the vendors contract.
- 11. Brothers are not authorized to transport patrons in personal vehicles or rental vehicles. The chapter must secure (hire) a third-party vendor to transport patrons and the company must adhere to the vendor insurance requirements.
- 12. Only the Basileus can execute/sign a contract on behalf of the chapter.
- 13. Only the District Representative can execute a contract on behalf of the District. For the limited purposes of conducting annual District Meeting business, the District Representative's contracting authority may be delegated to the District Marshal.
- 14. In order to edit a previously submitted SEC, you must select 'Submit SEC' and select previous one.
