Committee: Ways and Means

Submitted by: Bro. Carl Harvin

Gala (Traditional one) are costly, takes planning, and coordinating. These things are time consuming and the cost to run them dig into profits. Guess(s) attend, purchasing of food and essential cost.

Un Gala (online) are user-friendly and Centralized event platform. No guess is required. **Fundraising** with Un Gala is made easy. Organizers can just use the Un Gala that will not take lots of manpower, nor is too expensive, and will maximize your profits by using Peer to Peer platform. On a website that all people can view. Silent Auctions, raffles, etc. can be utilized as well.

How:

-I propose we/members decide/vote on the use of media platform (Un Gala) when a practical atmosphere/condition is not suitable for fundraising.

-Next, send motion to Financial Committee for approval or denied.

-If approved, Chapter purchase an Un Gala program. Base Plan is Free, or \$155 or \$375 monthly (7-day trial).

-Chapter first use Un Gala on a small event (this is to test the program). We can do an Un Gala on our coming scholars in our High School.

-Then the chapter can use on a larger event (Keith Jones Endowment Funds or our annual scholarship Drive).
